has successfully completed the online Specialization

Meta React Native

You will earn a Coursera certificate on completion of the Meta React Native Specialization. To achieve this, you will need to successfully pass all graded assessments throughout each course, as well as the Capstone project in which you will build a mobile app using React.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
